

## **QA ROOF SAFE PLUS**

To demonstrate our commitment to quality and to deliver added value wherever possible our enclosed tender includes this offer of **QA Roof Safe Plus**.

**QA Roof Safe Plus** can only be offered by NFRC members.

It provides quality assurance elements and 10, 15 or 20 year protection against defective workmanship and/or materials – defect rectification and resultant damage repair.

Backed by insurance it offers assured protection over time.

For further information please visit [www.qanw.co.uk](http://www.qanw.co.uk) and click on the NFRC Client's page.

To find out how much it will cost please visit the website or contact:
